R9 CHR - heating kit - 0.5kg

Packed Dimension

R9 CHR - 510 x 73 x 50 = 0.0019 m³

Guarantee

2 year guarantee*

[*Full terms & conditions here](#)

Standards Information

R9 CHR - WRAS Not Applicable

BS EN 60335-2-15:2012, AMD1:2016, AMD2:2018

Additional Information

Please select the appropriate summer heating kit as specified on the compatible product sections of the appropriate radiator.

All our radiators except R11CHR have been designed to allow for the fitting of an electric summer heating kit. This means that you can have warm towel rails all year round! Our radiators contain steel and are therefore only suitable for hot water (closed) central heating systems.

All electric heating kits are rated IP44

During electric heating use the valves must be left closed so the radiator is full of water to ensure correct performance.

Compatible Products

R2 CHR - Bloomsbury radiator
